# NEW! Special \$2,500 Rebate on the All-New

## 2019 Nissan LEAF® PLUS

### More Range<sup>1</sup>, More Power, More Confidence

- 1** Actual range will vary with trim levels, options, and driving conditions; see Customer Disclosure Form for details.
- 2** ELIGIBILITY REQUIREMENTS AND OTHER RESTRICTIONS APPLY. PROOF OF ELIGIBILITY REQUIRED. The \$2,500 Nissan Fleetail Rebate off MSRP is available to eligible customers of SMLD; proof of employment, or a copy of their utility bill referencing SMLD, their name, and both pages of this flyer. Available on purchase from new dealer stock. Down payment may be required. Subject to residency. This incentive cannot be combined with any other Nissan special incentives. See dealer for details. **Ends December 31, 2019.**
- 3** The incentives referenced are for informational purposes only. This information does not constitute tax or legal advice. All persons considering use of available incentives and additional perks should consult with their own tax or legal professional to determine eligibility, specific amount of incentives available, if any, and further details. The incentives and additional perks are not within Nissan's control and are subject to change without notice. Interested parties should confirm the accuracy of the information before relying on it to make a purchase. Residency restrictions may apply. See <https://www.energy.gov/eere/electricvehicles/electric-vehicles-tax-credits-and-other-incentives> for qualification requirements and conditions.
- 4** MY19 EPA range of 226 miles. Actual range may vary based on driving conditions. Use for comparison only.
- 5** 2019 Nissan LEAF® S Plus starts at \$37,445 MSRP as shown. Prices are Manufacturer's Suggested Retail Price excluding destination charge, tax, title, license and options. Dealer sets actual price.
- 6** ProPILOT Assist cannot prevent collisions. Always monitor traffic conditions and keep both hands on the wheel. See Owner's Manual for safety information.
- 7** e-Pedal: Monitor traffic conditions and use conventional brake as needed to prevent collisions. See Owner's Manual for safety information.
- 8** Automatic Emergency Braking cannot prevent all collisions and may not provide warning or braking in all conditions.
- 9** Automatic Emergency Braking with Pedestrian Detection cannot prevent all collisions and may not provide warning or braking in all conditions. Driver should monitor traffic conditions and brake as needed to prevent collisions. See Owner's Manual for safety information.
